## PRESS RELEASE

### Arca Continental re-affirmed into the FTSE4Good Index for sustainable companies

- *After being included in January, the Company was re-affirmed into the FTSE4Good Emerging Index compiled by FTSE Russell, part of London Stock Exchange Group; this index is comprised of companies with the top social, environmental and corporate governance practices*

# FTSE4Good

standards in terms of sustainability, social responsibility and corporate governance is a key element of its long-term vision, as it provides valuable feedback for further improving operations so that it may continue generating value for its customers, employees, communities and shareholders.

The family of FTSE4Good Indexes is designed to demonstrate to investors and other interested parties the performance of member companies in various transcendental areas, from the management and safeguarding of ethics and transparency and the protection of human rights, to a full commitment to the development of society and environmental conservation.

In addition to being included in the FTSEGood, Arca Continental is also included in the MSCI Global Sustainability Indexes since 2014 and was one of the first companies to become part of the Sustainability Index of the Mexican Stock Exchange in 2011; Arca has also been certified for 14 consecutive years as a Socially Responsible Company by the Mexican Center for Philanthropy.
